

# Lori's Dance Covid-19 Policies Spring 2021

## **Arrival Procedures:**

1. Be on time! Punctuality is crucial in order to properly enforce our safety procedures.
2. Face coverings are required in the building **at all times** by students, staff, and anyone who enters the building.
3. Dancers will be temperature scanned and asked to sanitize their hands upon entry. Any dancer exceeding a temperature of 100.5 will be sent home.
4. All dancers will enter the studio through the room that they have class in, STUDIO A or STUDIO B.
6. Dancers who have class in Studio A will place their items in individual cubbies in the lobby. Dancers who have class in Studio B will remove their shoes when entering and place them on a shoe rack, then place the rest of their items in individual cubbies in the hallway for Studio B. Cubbies will be sanitized by a staff member/student teacher in between each use.
7. No spectators are permitted in the studio.

## **Class procedures:**

1. All students will dance in 6 x 6 squares to ensure physical distancing.
  - a. Studio A can fit fifteen 6 x 6 squares. Therefore, classes in studio A will not exceed 15 dancers.
  - b. Studio B can fit ten 6 x 6 squares. Therefore, classes in studio B will not exceed 10 dancers.
2. Ballet barres will be sanitized between each use.
3. Acro students will be provided with a small personal mat that will be properly sanitized after each use.
4. The bathroom will be designated for one person per use. The bathroom will be sanitized frequently.

## **Dismissal procedures:**

1. Parents/Guardians should arrive to the LDC parking lot in a designated parking spot 5 minutes prior to the end of class for pick up. **DO NOT FORM A LINE IN THE PARKING LOT IN FRONT OF THE STUDIO.**

## **Cleaning/Safety Procedures:**

1. LDC has installed the REME Halo air purification mechanism in our HVAC system. The award winning REME HALO® whole home in-duct air purifier is the next generation of indoor air quality (IAQ) technology and capable of purifying every cubic inch of air that your central air conditioning system reaches. Designed to eliminate sick building syndrome risks by reducing odors and air pollutants, the REME HALO® whole home induct air purifier is the best solution for whole house and building air purification.
2. The entire studio will be sanitized nightly by staff, and a deep cleaning will take place once a week by a professional company.
3. There will be 5 minutes between each class for staff to sanitize all high-contact surfaces.
4. Students will be mandated to keep their cellphones with their personal belongings inside of their individual cubby in the lobby. Parents/Guardians may call us at (631) 581-0024 if they need to contact their dancer.

## **Exposure Procedures:**

1. In the event that an LDC dancer or family member contracts Covid-19, we will refer to the guidelines put forth by our local officials.
2. Dancers who test positive for Covid-19 must remain home and participate via zoom until they have been cleared to return to school/activities.
3. Dancers who travel out of state must follow the NYS guidelines for traveling.
